

# Contents

Issue 20 January 2021

## Contributions

3. Editorial

## Research Review

5. Slowly does it – using research to improve primary science.  
*Louise Stubberfield*
11. A window of opportunity: a neuroscience perspective on the gender stereotyping of science in the early years.  
*Gina Rippon*

## Original Research

19. UnLocke-ing learning in maths and science: the role of cognitive inhibition in developing counter-intuitive concepts.  
*Derek Bell, Denis Mareschal and the UnLocke team*
27. The power of sound – can we hear air pollution?  
*Jeannette Morgan and Dudley E. Shallcross*

## Research Guidance

32. Exploring ways of defining the relationship between research philosophy and research practice.  
*Lynne Bianchi*
