

Building Science Capital

Tuesday 7th March 2023, 16:00-16:30

This session will look at the Primary Science Capital Teaching Approach (PSCTA) and how you can use Explorify activities to support this. The PSCTA aims to broaden ways in which science is represented, by connecting science with children's identities and what matters to them and their communities.

Developing Thinking, Speaking and Listening Skills

Wednesday 19th April 2023, 16:00-16:30

In this session, we delve into how and why regular use of Explorify activities can develop children's 'higher order' thinking skills and improve their confidence, relationships and vocabulary.

Scan the QR code to register for Explorify support sessions

Joining a live event means you will have opportunities to ask questions, but if you cannot attend live, don't worry, as all the sessions will be recorded and accessible at:
pstt.org.uk/what-we-do/explorify
